Theme: Bible Study
Child care: _____
Group size to date: _____
Call 263.4168 if interested in this group.

Guiding Principles for CARE Groups

1. Consistent emphasis should be made on **praying for our church's outreach** into our community.
2. CARE groups will no longer focus only on Sunday and Wednesday night programming. Each CARE group once initiated, should **affirm their own meeting days and times**, being sensitive to the needs of its own members.
3. **Child care** will be the responsibility of each CARE group. Central students, needing Christian service opportunities, may come into the home or the church building and provide quality ministry to your youth. Call the office for CCCB student names that have filled out a Youth Worker Application. (263.4168)
4. **Smaller groups** are VITAL to the potential of including new individuals and families.
5. **Consistent meeting** is VITAL to the success of developing relationships.
6. **CARE group leaders** should **share**, and develop new, leadership within your group whenever opportunity is made possible. Watch for opportunities to meet with other leaders and hosts for the CARE Group Train Station on Sunday mornings. (dougdelp.wordpress.com/c-a-r-e-group-leader-train-station/)
7. CARE group hosts should **ORCHESTRATE (not PROVIDE ALL)** hospitality for the group.
8. CARE groups that are meeting at the TLCC facility need for the host to fill out a **Facility Use Application** in order to secure your meeting on the church master calendar.

Wednesday Night Ladies # 16
